Mr. S. H. Jones Unfair

In our opinion Mr. S. H. Jones is making unjust and unfair statements against Brother W. H. McDonald. We understand that Mr. Jones is making light of the fact that W. H. McDonald is a member of the leading Fraternal orders. It is true that Brother To My Friends and Voters of McDonald is a prominent Mason, Odd Feliow, Red Man, Knights of Pythians and Junior Mechanic. The writer is an humble member of nearly all of these lodges, and we desire to say to Mr. Jones that if he was a member of these orders, or any one of them, he would be forced to realize and say that it is an honor to any man to be identified with either one of these great orders. Every one of these orders have for their cardinal principles belief in God, the Fatherhood of God and the Brotherhood of Man, and that it is our duty to protect, provide for and educate the orphans, give aid and comfort to the widows, and to look after the distressed.

Of course these orders are not concerned in the piling up of riches, but rather to do those things that will make for the laying up of "Riches and Treasures" in Heaven. If Brother McDonald had not given so much of his time to carrying out the principles of these great orders, he might not be the poor man that he is, but be a rich man as Mr. Jones is.

We understand that Mr. Jones is charging that Brother Mciff's office a term of four years. of the colored voters of Knox Donald, while he was Great Sachem of Kentucky, received a salary J. R. Warren Looses to Artemus

Artemus defeated Warren on the Artemus diamond last Saturday 6 to 5 in a game replete with errors but not all together a featureless game. Warren took the lead in the fourth inning and practically had it on ice but in the ninth by some awfully loose infield work Artemus filled the basses with one down and then they got next to Dixon,s twisters they had gotten three runs in the earlier part of the game. Tommy Hayden who has always been the bulwark of the Artemus team played one of his best games behind the bat and when it c me to slugging he was right there with the big mit getting four hits out of four times up and ee. Parker playing center for Warren made three sensational catches which were as good as accorded the pitcher would have won easily but the Artemus boys played a better fielding game and our boys worry, they have taken two out of three from Artemus. 'Now crow daggone ye.
